

BELLEAYRE MUSIC FESTIVAL

2009 Contributor Benefits

This state-of-the-art facility is part of an important plan for Belleayre Music Festival's future — contributions from individuals like you are key to advancing the Festival.

For the Best Seats & Benefits...

Priority seating goes to continuing contributors. For the very best seats and benefits, join one of the Circle levels below. Festival donors bridge the gap between ticket sale revenue and the actual cost of mounting each season of world-class performances.

Below you will find categories of contributions listed in the Belleayre Music Festival Program Book. If you choose to receive tickets, the amount of your tax-deductible contribution can be calculated by subtracting the ticket value from the amount of your gift. If you choose NOT to receive tickets, the full amount of your gift is deductible.
